CLIENT TESTIMONIALS

We value customer satisfaction dearly and are proud to show just a few of our many great reviews left behind by wonderful clients of ours.

AURA Architecture & Interiors

Best Sustainable Residential Architects 2023
London
Best Kitchen Extension Project 2023 (London)
Straithville

'Aura were a pleasure to work with throughout the project. I would highly recommend them.'

'Aura really went above and beyond my expectations, creating a space that is truly more than I could have imagined.'

'Aura homes is a highly professional firm of architects that always have the clients best interests at heart.'

'Aura carried out some work on a small, compact development requiring precision, experience and haste. Aura were extremely efficient in all of these areas. I will 100% recommend and use Aura again.'

'Overall great design and exceptional value for money. I would highly recommend the team and look forward to working with them on the next project.'

'Aura designed an extension for the back of our house. I absolutely love it. I wouldn't hesitate to recommend them and I would use them again'
